

Project Evaluation Consent Form

Project Name: Project Name: Integration of Deep Learning-Based Lung Cancer Prediction Model into OpenMRS

I, Shuhui Lin (Name), hereby consent to participate in the evaluation of the above-mentioned project. By signing this form, I acknowledge and agree to the following terms:

1. Purpose of Evaluation:

I understand that the purpose of this project evaluation is to comprehensively assess the project for the purpose of enhancing its quality and efficiency.

2. Evaluation Content:

I agree to provide relevant information and data related to the project to assist in the evaluation process. I understand that my participation is voluntary, and I have the right to withdraw from the evaluation at any time.

3. Legal and Ethical Considerations:

I certify that the information I provide is accurate and truthful, and I will not violate any applicable laws or ethical guidelines.

4. Privacy Protection:

I understand that the information I provide will be kept confidential and used solely for the purpose of evaluation. I consent to the protection of my personal information and that it will not be disclosed to unauthorized third parties.

5. Voluntary Participation:

I acknowledge that my participation is voluntary, and I have the right to withdraw from the evaluation at any time without facing any penalty or adverse consequences.

6. Authorization and Consent:

I grant permission to the project evaluation team to collect, analyze, and report the information I provide. I consent to the use of evaluation results for the improvement of the project and organizational operations.

7. Informed Consent:

I have read and understood the purpose and terms of this evaluation. I agree to participate in the project evaluation as outlined above.
